When students apply for Stanford University housing, they electronically sign a Residence Agreement, a legally binding contract that governs occupancy, conduct in university housing, and expectations for proper maintenance of the residence room or apartment. Because it is digital, we cannot provide signed copies of the agreement. The current Residence Agreement is available on our web site, <http://housing.stanford.edu/apply/residence-agreement>.

Please feel free to contact our office if you have any further questions regarding these housing contracts.

Sincerely,
